# INSTRUMENTS *of* TIME & TRUTH

**BECOME A FRIEND of IT&T!**

**“I was entranced [...] The choir was magnificent and of course the Instruments of Time and Truth were as always fantastic (I’m running out of superlatives).”**

**“I just wanted to say how much I enjoyed singing in the concert on Saturday. It was a real privilege to be performing with such accomplished musicians as the IT&T. I was slightly mesmerised by the quality of their playing in the rehearsal [...] My wife said that it was one of the best of our performances.”**

Instruments of Time and Truth (IT&T), Oxford’s leading historical performance ensemble, was founded almost a decade ago. The orchestra has since gone from strength to strength, delighting and inspiring local audiences with baroque music performed by outstanding musicians.

**“blown away and deeply moved by the performance”**

**“I can honestly say that have never heard the Easter Story so powerfully and movingly told.”**

IT&T relies on the generous support of our Friends and individual donors who make our music-making possible. We invite you to help ensure IT&T’s future, bring live baroque music to a wider public, and unique learning opportunities to children and adults in Oxfordshire from IT&T’s historically informed performance.

### There are several ways you could support IT&T:

- Join our growing community of Friends of IT&T and introduce us to new Friends.
- Help fund our educational programmes for emerging young baroque musicians and school children in Oxfordshire.
- Host a fundraising event.
- Sponsor a musician or a future concert in Oxford.
